

REMARKS

Claim 28 has been amended to depend from claim 2 instead of claim 1. The dependency of previously presented claim 28 is incorrect due to typographical error. The amendment herein would make the claim dependency and antecedent basis consistent for claim 28. Such amendment does not require substantive review. Entry of the amendment at this stage is not inappropriate.

CONCLUSION

The Assistant Commissioner is hereby authorized to charge any additional fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this transmittal and associated documents, or to credit any overpayment to Deposit Account No. 501288 referencing the attorney docket number of this application.

Respectfully submitted,
